For over 70 years, **Meals on Wheels NSW** has grown to become a driving force of care in the community. In the course of a year, over 4.5 million meals are delivered by more than 14,000 volunteers to about 10,500 recipients in both regional and metro areas of NSW. Sadly, they can't do all this amazing work by themselves and need our support.

Established by Meals on Wheels NSW, Cuppa for a Cause was set up to raise funds for those in need whilst simultaneously bringing communities together. This year, we'd love you to support us in raising funds and donating to a truly worthy cause.

If you'd like to come along to our Cuppa for a Cause event or you simply want to donate then please get in contact.

If the tea doesn't make you feel all  
warm inside, the feeling of helping the

supporting Meals on Wheels services  
in NSW definitely will.
